Misganaw Abeje

Lecturer & Head, Department of Computer Science

Phone: +251983581958

Email : Misganaw.abeje13@gmail.com

PROFILE

Computer Science graduate with hands-on experience in software development, particularly in building web-based and application solutions, along with a background in IT and system support. Comfortable working across development and technical environments, quick to learn new technologies, and motivated to grow as a versatile technology professional.

EXPERIENCE

Ethiopian Electric Utility (EEU)

Internship

Assisted in basic configuration and monitoring of LAN network connections, Supported installation and setup of desktop computers and peripherals, Performed printer installation, driver setup, and basic troubleshooting, Assisted with audio and video device setup (projectors, speakers, HDMI/VGA connections), Helped identify and resolve basic hardware and software issues

PROJECTS

Photo house Management System

Tech stack: HTML, CSS, PHP, JavaScript, MySQL

Movie Streaming & Ticket Reservation System (Final Year Project)

Tech stack: HTML, CSS, JavaScript, Python, Django

IT Support & Network Setup (InternshipProject)

Tech stack: Windows OS, LAN setup, TCP/IP, Routers, Switches

Inventory Management App

Tech stack: Java, JavaFX, MySQL

Personal Portfolio Website

Tech stack: HTML, CSS, JavaScript Hosted on: Netlify

Link: natnaeltemesgen1.netlify.app

CERTIFICATES

Participation Certification in Hult Prize Competition

Programming Fundamental

Data Analysis Fundamental

Android Development Fundamental

Artificial Intelligence Fundamentals (Udacity & Ethiocoders)
